

Extreme Clean from Applied Cleansing Solutions With the Fury Dry Vapour Steam

The **Fury** is a **tough and powerful cleaning solution with increased stability**. Using dry vapour steam and state-of-the-art equipment, the Fury will give you your biggest and toughest cleaning challenges an extreme clean. Not just meeting- but exceeding al HACCP and food regulatory requirements, the Fury's unique equipment is proven to give you the highest levels of satisfaction an hygiene possible.

With a **low centre of gravity** and a **heavy duty trolley, stability and safety are assured** when used in **rough terrains** such as roads and uneven factory floors. **Factory equipment, walls and floors** will be quickly, easily and reliably cleaned and disinfected. The Fury is also ideal for **chewing gun removal** from roads, pavements, concrete and stone.

How does it work?

Specialised cleaning tools help dry vapour steam molecules penetrate even the smallest pores, **killing bacteria** and **forcing dirt and debris to the surface** – without any chemicals! When an extra cleaning boost is needed, a small amount of food-safe detergent is injected to **suspend the dirt**. Dirt and debris are vacuumed away, leaving **slip-free, instantly dry, sanitised surfaces**.

What are the benefits?

- ✓ **Exceed** HACCP and all food hygiene requirements
- ✓ **Sanitise** without using harsh chemicals
- ✓ **Reduce** cleaning time with instant-dry surfaces
- ✓ **Extend** the life of your appliances and equipment
- ✓ **Eliminate** detergent build-up for slip-free floors
- ✓ **Save** money on water and chemicals
- ✓ **Increase** the efficiency of your staff
- ✓ **Be** environmentally friendly

Who does the Fury suit?

The Fury is ideal for **factories, industrial outlets** and **contractors** that need a **tough and powerful cleaning solutions** with **increased stability**.

Technical Specifications	
Maximum Pressure	9 Bar / 130.5 PSI
Maximum Temperature	175°C / 347°F
Steam Output (Water)	80gr./min. 4.8lt./hour
Water Tank Volume	5lt. Internal
Electric Heating Power	2200Watt
Boiler Volume	3.1lt.
Heating up time	9 Minutes
Total Power	2250W – 10A
Voltage	240V – 50Hz
Boiler Material	Stainless Steel AISI 304
Dimensions (mm)	630 x 500 x 1100
Net Weight	44kg
Dry Steam Regulation	Manual – 0 to maximum
Detergent Function	YES
Detergent Tank Volume	2 x 5lt. PET Canister
Vacuum	YES
Vacuum Power	1200 Watt
Vacuum Container Volume	20lt.
Length Power Cable	4 Metres
