

Gutter Master® 1630 Modular

**NEW CONCEPT
PROVEN ACS® DESIGN**

**PERMANENT OR
MOBILE**

**40 METRES HOSE
LENGTH CAPABILITY**

Introducing the Gutter Master® 1630 Modular, a portable unit that can be left on your vehicle, van or trailer if desired. Powered by a GX390 Honda 13Hp key start engine with an impressive 40 metres of hose length working capability. The innovative design includes a mobile tipping 150-litre waste drum fitted with a cyclonic drum top separator. A compact hose reel with 40 metres of hose is included. The Vacuum platform frame is galvanized steel with large pneumatic wheels for easy maneuvering. Delivering a class-leading 480cfm and a variable working vacuum pressure of up to -35kpa allows quick and efficient cleaning of residential, commercial and industrial roof gutter channel.
