

# HPV Pro Vac

Clear leaves and litter debris with all the power, performance and capacity to get the job done.

Superior airflow provides plenty of suction to fill our Industry leading 280 Litre capacity bag .

*The  
capacity  
to clean*

**TWICE** that of the competition!

Optional 12' hose gets into tight areas under patios and benches, into corners and along curbsides ▶

Your safety is important to us. HPV Pro Vacs are built to a compact unit height of 1000mm to provide a clear line of sight over the unit to the work area in front of you.
